KYLEE

It all started out with an innocent glance. One thing can lead to another really fast when the attraction is so strong. We were both always willing and eager to please each other, never giving up until the other was satisfied.

A photograph of two women in lingerie standing in a tropical setting. One woman is in the foreground, leaning against a white railing, and the other is behind her, looking over her shoulder. They are both wearing black lingerie and high-heeled boots. The background shows a tropical landscape with palm trees and a clear sky.

Roll em ACTION ON THE SET

After high school I was lucky enough to get into film school at USC. My family didn't have much money but I was able to score a few grants and take out a student loan to cover my tuition and housing expenses. At college we were immersed in the ins and outs of making movies, commercials, and music videos. I always felt cool when I'd walk around campus because I saw the other students carrying huge text books for boring stuff like chemistry as I was walking to a set to make a short film. Plus, who's sexier - an electrical engineer or a movie director?

When I graduated from USC, I decided to stay in Los Angeles and get professional work in the film industry with the goal of, like so many other film school graduates, being the next Spike Lee, Quentin Tarantino, or Robert Rodriguez. Soon I was able to get work as a Production Assistant on a music video for an up and coming hip hop artist. Perfect, I thought, as I was big into the underground hip hop scene on campus and around the city, not to mention I had a stack of notebooks full of rhymes I'd penned.

As a PA you're the low man on the totem pole and basically do odd jobs on the set. In other words you're everybody's bitch. Even though I'd worked on a handful of music videos in school I had no idea what to expect when I showed up for my first day on a professional set, and I definitely didn't expect the shoot to go that way.

The call time was 5 AM and like an idiot I overslept and showed up late, around 5:30 AM. I thought for sure I'd get shit-canned before I even started. Luckily though, the assistant director tore me a new asshole and then told me to report to the wardrobe department. I had wanted to hang by the camera but those positions were already taken. Still, I was happy to have the job.

Without thinking I opened the door to the wardrobe trailer and was greeted by the sight of three mostly naked models shimmying into their sequined costumes. Tits and ass flying everywhere, they jumped and screamed at me to close the door and get out. Embarrassed, I tripped down the steps of the trailer as I struggled to leave and close the door as fast as I could. Not thirty seconds later the door slammed open and the wardrobe director came out of the trailer to tear me my second asshole of the morning and lecture me on the importance of knocking. I stammered out an apology and explained myself. Then she softened her tone, flipped her hair, looked me up and down, stuck out her hand and introduced herself as Cheyenne.

She was probably 30, beautiful, and had a body that'd stop a Mack truck. Still embarrassed, I winced as I knew there was no way she could have missed the hard-on tenting out my jeans. I could swear I saw a smirk as her eyes grazed down to my crotch. The trailer door opened again and the models headed down the steps

and off to the set, sneering at me as they passed. Fortunately for me none of their eyes drifted south...

Coolly, Cheyenne told me to get my ass in the trailer and help her straighten up. Could this day possibly get any worse, I thought, as I walked up the stairs in shame. Cheyenne followed and didn't say much as we picked up, sorted and put away the clothing and accessories from the morning's shoots. Every so often she'd glance over at me to make sure I wasn't fucking anything up. After the models came back I was dismissed.

As lunch ended the assistant director sent me back to the wardrobe trailer to help prep for the afternoon. When I got to the trailer Cheyenne was alone and in a more cheerful mood than the morning. "I see you've regained your composure," she said as she laughed and glanced down at my crotch. I laughed it off as she set me to work pulling clothes and assembling outfits with her. Whenever more models would come in to be dressed she'd send me outside to wait. Judging by the hotness of the girls coming in and out of the trailer and the skimpy outfits they were wearing I knew it was one of those big booty music videos.

I was in the trailer arranging a drawer of accessories when I heard the trailer door lock. Then all of a sudden I felt a set of breasts push into my back and heard Cheyenne's low voice in my ear. I straightened up as she said, "I liked what I saw this morning when you got flustered," accentuating her statement by reaching around and rubbing my crotch with her open hand. Not at all what I was expecting, I laughed nervously as my cock quickly reached full mast. "Just relax, hon. You're in good hands," she said as she unzipped my fly and pulled out my raging hard-on. She pressed more firmly into my back and began to nibble on my ear as her hand worked its magic on my shaft. As her hand slid up over the tip of my cock and back down again, faster and faster, her tongue buried deep in my ear, I anticipated the climax of my life. Cheyenne must have sensed that I was about to cum because suddenly she stopped.

Cheyenne turned me around to face her. As we locked eyes, she put her finger to my lips to silence me as I opened my mouth probably to stammer out something I'd regret. She smiled, dropped to her knees, undoing my pants in the process. Her nipples were huge and erect, ready to burst through her tank top. Passionately she took my throbbing member into her mouth and began bobbing upon and down on it. One hand cradled my balls while the other reached up under my shirt to caress my chest. My nervousness was rapidly evaporating and I began to moan softly as she sucked my cock. I reached down into Cheyenne's tank top and grabbed

a handful of tit-flesh. My thumb and forefinger circled and teased her hard nipple. Cheyenne moaned a bit herself and proceeded to open her throat and take my cock all the way in – my first deep throating. I thought I was going to go out of my mind, and I struggled to prolong the pleasure and hold back my orgasm. However, my efforts were in vain as I exploded a torrent of cum down her throat.

As my cock flopped out of her mouth, our eyes met. Cheyenne was running this show, and it seemed that I was along for the ride on this one so I didn't say anything. She smiled at me sexily, stood up and said, "I hope you enjoyed yourself, and more than that I hope that rock star cock of yours doesn't require too much of an intermission because my pussy's wet as fuck and we've got about 15 minutes until those models come back." Before I could say a word her tongue darted into my mouth and her hand pulled mine to her pussy. I

tion. Cheyenne was well aware of this as she stuffed my cock into her dripping pussy and began to bounce up and down. Holy fuck was her pussy hot! I gyrated my hips to match her rhythm, thrusting deeper and deeper. Then I took one hand from a breast and thumbed her clit while she rode me. I could tell she wasn't expecting that and that it was really getting her off. Biting her lip, she purred out low moans, obviously not wanting to draw unnecessary attention to the trailer. Then all of a sudden she stiffened up and rolled her head back, bucking her hips in short bursts and biting down harder on her lip. She leaned over and whispered in my ear that she just came. I let go again, this time deep inside her pussy while she grinned.

Cheyenne glanced at her watch and then hopped off me. She said we better clean up quick because the models were due any minute. I got up off the couch and we both dressed quickly. Cheyenne lit one of

started to rub her pussy through her shorts, feeling her wetness seeping through them.

Cheyenne broke the kiss by pushing me back toward the couch in the trailer. She smiled widely as she pushed me all the way onto the couch and said, "I'm starting to feel a bit overdressed." She pulled her tank top over her head. Her tits were an amazing sight to behold. Cheyenne ran her hands over them for minute, tweaking her nipples and mashing them together. Then she undid her shorts and pulled them and her panties off in one smooth motion, revealing a neatly trimmed black bush.

She climbed on top of me, grabbed my cock, and began running it up and down her pussy lips and across her clit. A minute or two of that and I was fully ready for ac-

those scented candles and put a blanket on the couch to cover up the big wet spot our action left. The rest of the day was busy and without more ribald activity. However, Cheyenne and I shared a few knowing glances and she gave me a big hug and a kiss at day's end. As I was leaving to go home, I passed the make-up artist Kelly. We made eye contact and then she looked down at my crotch and then back up at me and flashed a huge grin.

I went to bed that night with a shit-eating grin on my face knowing that there were two more days of shooting left. I could fill another ten pages talking about what happened next. I'll say this much: it turns out that Cheyenne and Kelly are really, really, REALLY good friends. I know – you're jealous... and you should be. It's official – I have the BEST job in the world!

ARIANA

Buxom brunette beauty Ariana is getting undressed after a long day, and we couldn't be happier! Nothing beats watching a beautiful girl get undressed. It doesn't matter if she just finished working a long day at the office, or if she's crawling home at dawn after a long night of clubbing, there's something special about the moment a woman strips off her clothes and becomes a naked lady, but Ariana likes leaving her expensive lingerie on.

ALYSSA

Cute Alyssa just finished two years of community college and she's planning her next move. "I want to backpack through Europe. I don't really know anybody there, but I heard the people are nice, and the men are cute, so I figure I can find a place to stay," she says. We told her that we backpacked through Europe once, and got arrested for sleeping naked in the gutter. Ah, those were good times!
